

Thank you for helping us fill our therapy rooms with toys

DVIP has raised over £1000 for our #BeAChildAgain campaign, and it's all down to you!

We can now ensure that our children's therapy rooms have the much-needed new toys and creative arts materials to help children affected by domestic violence.

Your generous donations will be used to buy a range of inclusive people and animal figures and puppets, Lego Community sets and Doll's houses, as well as chalkboard paint, masks to decorate, and musical instrument such as drums, to help the children we work with express their feelings and open up about painful and traumatic experiences.

“All too often the experience of domestic abuse robs children of the right to enjoy their childhood. This will make a huge difference to the children and young people we work with. Thank you for supporting our campaign.”

Linda Andrew, Head of Children & Young People's Services
